Notice of Appointment of Receiver for Tri-County Health Department

As you may be aware, Tri-County Health Department (“TCHD”) will be dissolved by operation of law on December 31, 2022. In order to wind-down TCHD and to assist Adams County, Arapahoe County and Douglas County in an orderly transition of public health services to their new health departments, TCHD with the consent and cooperation of these counties, sought appointment of a receiver to manage the winding up of TCHD’s affairs.

On August 29, 2022, the District Court for Arapahoe County, Colorado entered its Agreed Order Appointing Receiver (“Agreed Order”), a copy of which is attached to this notice. The purpose of this correspondence is to provide notice to the State of Colorado, the Colorado Department of Public Health and Environment, the Arapahoe County Treasurer and other municipalities within the counties of the appointment of the receiver.

Please be advised that under the Agreed Order, the court appointed Cordes & Company LLC (“Receiver”) as receiver for the receivership estate and to manage the winding up of TCHD’s affairs. The court further ordered that Bellann Raile, an individual and managing director of the Receiver, shall serve as the sole and primary agent of the Receiver. The Receiver has assumed the duties set forth in the Agreed Order.

To be clear, TCHD will continue to operate and provide public health services to protect and preserve the public’s health through December 31, 2022. The Receiver shall work in conjunction with the Public Health Director to ensure Colorado’s public health standards are maintained by TCHD through its cessation on that date.

TCHD expects and the Receiver believes that all of its vendors who provide goods or services in carrying out public health programs will be timely paid by the Receiver in the ordinary course of business. Other creditors holding allowed claims against TCHD may be paid in their order of priority through the receivership under the terms of the Agreed Order when and if funds are available.
